### Activity Report

**Activity Name:** Parents Meet of F.Y. B. Pharmacy Students

**Day and Date:** Saturday and 12/04/2025

Participants	Staff	F.Y.B. Pharmacy Parents	Class and Course
	07	15	F.Y.B. Pharmacy

### Details of Activity:

The program was initiated by Prof. Snehal Ukhade, Class Teacher of First Year B. Pharmacy. Ma'am gave a general introduction about the college rules, campus facilities, faculty members, and the various departments. Following this, the Academic In charge, Prof. Vaishali Rawal, provided detailed information regarding the academic structure and processes. Next, the Exam In charge, Dr. Shivam Lale, explained the exam pattern for both internal assessments and university examinations. After the presentations, parents engaged in discussions with the teachers, clarifying their doubts. Faculty members addressed all queries sincerely. Finally, all parents reviewed the mark sheets and discussed their ward's performance with the respective subject in-charges

# Mumbai Educational Trust's INSTITUTE OF D PHARMACY

Bhujbal Knowledge City, Adgaon, Nashik, DTE Code: 5442

**(B. Pharm. Affiliated to DBATU, Lonere)**

<b>Objectives of the Activity</b>	<ul style="list-style-type: none"> <li><input type="checkbox"/> To discuss students' academic performance, attendance, and discipline, and to present internal mark sheets so that parents can gain insight into their child's progress.</li> <li><input type="checkbox"/> To strengthen the bond between parents and faculty.</li> <li><input type="checkbox"/> To share insights into the teaching-learning methodology adopted by the institute.</li> <li><input type="checkbox"/> To address queries and gather suggestions from parents for the overall development of their child.</li> </ul>
<b>Beneficiary of activity</b>	<p>The beneficiaries of this activity were the First Year B. Pharmacy students, as the parent-teacher interaction fostered support for their academic and personal development. Parents and guardians gained valuable insights into their ward's progress and had the opportunity to engage directly with faculty members. Faculty also benefitted by receiving feedback and strengthening the overall student support system through enhanced collaboration.</p>
