

Guest Lecture Report

Title of the Session: Opportunities in Healthcare Management

The Mets Institute of D. Pharmacy organized an informative session for final-year B. Pharmacy students on “**Opportunities in Healthcare Management**” on **24th June 2025**. The session aimed to broaden the career perspectives of students by introducing them to the diverse and growing field of healthcare management.

The session was conducted by the **MET BKC-IIBHM Team**. The team provided in-depth insights into the evolving landscape of healthcare services, administration, and the various career pathways available beyond traditional pharmacy roles.

Response of Students: The lecture proved to be informative and inspiring, helping students understand the wide array of career opportunities in the healthcare management.
